

# Guide to CLA Transfer Policy

JANUARY 2007

## Executive Summary of the Policy

This document is intended as a *guide only*. The CLA Transfer Policy (Appendix B) was ratified at the 2006 CLA Annual General meeting. It applies to post-Bantam aged players (15 years old) and older.

The Transfer Policy governs movement of players between Member Associations/Association Member Associations (MA/AMA's). The conditions contained in the Policy are not meant to restrict the movement of players between MA/AMA's however; it recognizes that restrictions are necessary to help in the development of players within MA/AMA's.

### NEGOTIATION LIST

1. Negotiation Lists (defined as a list of players requiring negotiated releases to play in other MA/AMA's) will be filed with the CLA office by the **last Friday of February** each calendar year. Negotiation Lists will only be accepted from MA/AMA's. Players on Negotiation Lists will require negotiated releases.

- Negotiation Lists must be submitted as an Excel spreadsheet in the following format:

Last Name	First Name	Protected By	Contact Info (e-mail or phone number of individual to contact to obtain a release)	MA/AMA	Level Sr. A/B/C or Jr. A/B	Holdout (Sr. A only)
-----------	------------	--------------	---	--------	----------------------------------	-------------------------

- If an MA/AMA does not submit a Negotiation List, players from that MA/AMA will be considered free agents and will be free to move to another MA/AMA provided they are in good standing within the MA/AMA.
2. Before the filing of Negotiation Lists, players are not permitted to try-out or participate in training camps, practices, intra-squad games or exhibition games without written permission from the team and/or league commissioner where the player was last registered.
3. After the filing of the Negotiation Lists, written permission for a player to participate in training camps, practices, intra-squad games or exhibition games must be obtained from the team and/or league commissioner listed on the Negotiation List.

### TRANSFER POLICY

Transfers will occur between the **first Wednesday of March and 11:59PM on July 1** of each calendar year. Any MA/AMA or team found playing a player without a completed transfer will face disciplinary action.

The player must have his/her previous Member Association/Associate member sign a transfer form indicating they are a member in good standing.
- (ii) An agreement to release the player has been reached between the team holding the rights to the individual as indicated on a negotiation list as defined in Section 17, Clause 3.4.7 and the team wishing to acquire those rights.
- (v) A player who has signed a playing card for the current season must receive a release from the team to which he was signed.

- Step 2: Upon receipt of the transfer, the CLA office will forward via e-mail the information to the MA/AMA's office who currently owns his playing rights. This will be done within 24 hours for transfers submitted from Sunday to Thursday. Transfers received Friday and Saturday may take 48 hours to begin.
- Step 3: The MA/AMA owning his rights will complete Section 2 of the transfer form and submit it back to the CLA office. The MA/AMA must submit the form to the CLA office within 10 business days of receipt. If not submitted, it will be assumed that there are no issues and the player is free to move to the other MA/AMA.
- Step 4: Upon receipt of the form or the 10 business days have expired, the Office will sent the form to the MA/AMA the player wishes to transfer too within 24 hours to complete section 3.
- Step 5: The receiving MA will have 10 business days to complete the form and return it to the office. If the form is not returned, it will be assumed that the transfer is not accepted and the player will remain the property of the team he is protected by.
- Step 6: The CLA office will review the transfer form and confirm that the proper process has been completed and will sign off on the transfer.
- Step 7: The receiving MA/AMA will be informed by e-mail of the completed transfer and be invoiced the transfer fee.
